Professional Skills

Personal skills

Honest, Polite, Punctuation, Spontaneity, Ability to keep deadlines, Creative

Languages

Summary

I am a programmer with experience in cloud hosting and programming in Python, C++, C#. I am passionate about creating simple yet effective solutions, teamwork and growing as a developer and as a person.

Experience

Software Engineer 2023 May - 2024 August
 Inogate

Here I learned more about Linux as a whole, Raspberry Pi, OpenCV, and Pixhawk. My responsibilities ranged from writing everyday Python scripts for automating routine work to making Pixhawk gather GPS information autonomously.

Education and training

Bachelor's Degree at Applied Computer Science 2024 September - Present
 Armenia, Yerevan
 Plekhanov Russian University of Economics (Yerevan Branch)

Secondary Professional Education at Applied Computer Science 2020 September - 2024 June
 Armenia, Yerevan
 Plekhanov Russian University of Economics (Yerevan Branch)

Interests and Hobbies

Listening to music, reading books, playing games
